

PCI Media Development and Fundraising Intern (Unpaid)

PCI Media seeks an undergraduate student, graduate student, or recent graduate interested in joining our intern program. This is a remote, unpaid internship. In order to be eligible for this program, you must be enrolled in an institution of learning currently or during the preceding semester and have not yet graduated.

Successful candidates will have enthusiasm for organizing information, strong research skills, an interest in learning about development, non-profit management, fundraising infrastructure, and want to experience being part of a multi-cultural and international team.

About PCI Media Impact

PCI Media is an award-winning, non-profit organization that produces culturally resonant television and radio programs and communication campaigns, in partnership with local and international organizations, to achieve national, regional and global impact.

At the heart of our work are compelling narratives that celebrate the positive and reflect our “Love Not Loss” approach to tackling difficult issues. We are a leader in the field of Social and Behavioral Change Communication (SBCC); the strategic use of communication to promote positive outcomes in health, environment, and social justice. Grounded in social science and communication theory, we employ a systematic, participatory process that utilizes television, radio, video, print, social media, interpersonal channels, and community mobilization to achieve defined objectives at the community, national and regional levels.

Together with our partners around the world, we have produced more than 5,000 episodes of 100 television and radio productions, reaching more than one billion people in over 60 countries.
