

PCI Media - Multimedia Assets and Information Management Intern (Unpaid)

PCI Media seeks an undergraduate student, graduate student, or recent graduate interested in joining our intern program. This is a remote, unpaid internship. In order to be eligible for this program, you must be currently enrolled in an institution of learning or during the preceding semester.

Successful candidates will be creative and passionate, with strong digital media content skills, have an interest in multimedia knowledge management (video, audio and media production, editing, motion graphics are a plus), and want to experience being part of a multi-cultural and international team.

About PCI Media Impact

PCI Media is an award-winning, non-profit organization that produces culturally resonant television and radio programs and communication campaigns, in partnership with local and international organizations, to achieve national, regional and global impact.

At the heart of our work are compelling narratives that celebrate the positive and reflect our “Love Not Loss” approach to tackling difficult issues. We are a leader in the field of Social and Behavioral Change Communication (SBCC); the strategic use of communication to promote positive outcomes in health, environment, and social justice. Grounded in social science and communication theory, we employ a systematic, participatory process that utilizes television, radio, video, print, social media, interpersonal channels, and community mobilization to achieve defined objectives at the community, national and regional levels.

Together with our partners around the world, we have produced more than 5,000 episodes of 125 television and radio productions, reaching more than one billion people in almost 70 countries.

For more information, please visit www.pcimedia.org.

Internship Description

As a PCI Media *Multimedia Assets and Information Management Intern*, you will have the opportunity to work closely with our communications team to learn about our video and digital communications materials from an organizational and programmatic perspective. This is an excellent opportunity for an individual with solid digital media, video editing, motion graphics, design, cataloguing, Microsoft PowerPoint and graphic design abilities to gain hands-on experience with an international communications NGO at the forefront of social change communications.

Areas of Interest

- Support in media database management
- Media formatting (compressions, exporting, product delivery standards)
- Video and Audio production content
- Image cataloguing (formats, database)
- Internal and External PowerPoint Creation
- Animation
- Graphic design (formats, print/digital)
- Information management (Toolkits, etc.)

How to Apply

Along with a résumé, please send a cover letter that explains your interest in interning at PCI Media Impact. Please indicate your availability and preferred time frame to intern.

Please send your application to intern@pcimedia.org, with “*Multimedia Assets and Information Management Intern*” in the subject line. We will review applications on a rolling basis.
